Medicaid Eligibility Rates Update 2022

The New York State Budget of 2022 has amended the Medicaid income and asset eligibility requirements effective 2023.

The new Medicaid rates will go into effect January 1, 2023 as follows:

Single Individuals will be allowed up to	\$ 1,563.00 / Month
Couples will be allowed up to	\$ 2,106.00 / Month

Medicaid Asset Limit increase –

Single Individuals - from \$16,800 to \$28,134

Couples - from \$24,600 to \$37,908

Under the Qualified Medicare Beneficiary (QMB) Program -

Single Individuals can earn up to \$1,563.00 / Month

Couples can earn up to \$2,106.00 / Month

Single Individuals with higher incomes can still qualify under the Q1-1 Program -

Single Individuals can earn up to \$2,107.00 / Month

Couples can earn up to \$2,838.99 / Month
